Be more persuasive and influential when under pressure or challenged.

Respond to difficult questions on the spot.

Deliver convincing and impactful presentations to all audiences.

Structure your communication in a compelling way, whether verbally or in writing.

Apply techniques to de-escalate difficult situations and buy time to organise your thinking.

Training format

Whether you choose a face-to-face or virtual workshop, your learning outcomes will remain the same. Using specialist content design, clever use of in-workshop tools and exercises, your experience delivered by our expert facilitators will be immersive and engaging.

What is covered in this course?

Explain complex information simply and clearly

Slow down and organise your thoughts to answer questions fast. Become an expert in packaging information logically and succinctly, cutting to the core of what you want to say.

Position ideas to persuade your audience

Expand your listener's perspective – go from small details to the big picture. Learn to practice moving opposing viewpoints to a middle ground with proven tools to really sell the benefits of your ideas.

Handle questions quickly and clearly

Learn how to bridge from question to answer, earning yourself the time and respect to respond in a quick, clear, and persuasive way. Handle the tough questions with clarity and impact.

Flesh out ideas with memorable examples

Effectively illustrate your ideas through the use of examples and metaphors, increasing understanding and telling an impactful story.

Customised solutions

IMNZ can work with your organisation to deliver highly flexible and customised learning programmes. Contact us to discuss solutions to meet your specific learning and development needs.

Think on Your Feet® has given me tools to build on and to practice – which then feeds into overall communication and confidence... It's only a short course but I feel like I've walked away doing a three-year university study.
